It is understood from Bangalore that the Mechanical Transport Company, Hebbal, desire to carry out training during the next few days by leaving Bangalore on Thursday the 12th June passing through Mysore City that night and camping at a suitable spot about 3 miles beyond Mysore City on the Nilgiri Road. They propose to strike camp on Monday and return to Bangalore passing through Mysore City on Monday night.

2. It is regretted that the exact name of the Camp site is not known but the Officer Commanding the M.T. Company states that it was suggested to him by the Officer in charge of the Police Station near the Palace and if desired the correct name could possibly be obtained from there.

3. The Officer Commanding the Company is aware of the fact that there will be wedding processions, etc. in Mysore during the next few days and for this reason proposes to pass through Mysore on Thursday and Monday nights next and the exercises which he will carry out during his stay in Camp will be on the farther side of Mysore City.

4. The Hon'ble the Resident would be grateful if the Mysore Government would grant permission for these exercises to be carried out as proposed by the Commanding Officer. The exercises are entirely mechanical transport and there is no question of field firing or disturbance to villagers since the Company will merely be driving their lorries on the roads.

Could you kindly let me know by
tomorrow midday, so that I can
ring up Bangalore.

Yours sincerely
